

Jefferies 2014 Global Healthcare Conference

You are invited to attend the Jefferies 2014 Global Healthcare Conference taking place June 2-5 at the Grand Hyatt in New York City.

AGENDA JUNE 2-5, 2014

Grand Hyatt
New York City

Following the success of last year's event, with over 300 participating companies and 2,500 attendees, the conference will again feature an extensive range of public & private healthcare companies across the biopharmaceuticals, life sciences, healthcare services, healthcare IT and medical technology sectors. This global gathering of leading executives, institutional investors, private equity investors and VCs will address near- and long-term investment opportunities and discuss the mechanisms driving healthcare in the U.S. and internationally.

The four day conference will be comprised of company presentations, Q&A breakout sessions, keynotes and thematic panels. Company management teams and investors will also have the opportunity to participate in 1x1 and small group meetings.

To register, please contact your Jefferies representative.
