

## **PLACEMENT AGENT OF THE YEAR**

1. Citi
- 2. Jefferies Private Capital Group**
3. Eaton Partners

Jefferies Private Capital Group (“JPCG”) is a leading global alternative placement agent specializing in raising capital for private equity, private credit and special situations funds for select financial sponsors. JPCG also actively raises capital on behalf of clients for private financings / direct investments through an extensive network of institutional investor relationships, often working in conjunction with Jefferies’ sector-based investment banking teams. JPCG’s strength is centered around Jefferies’ recognized platform and proven capabilities in the global capital markets. The group’s reputation is based on discriminating fund selection, rigorous diligence, thoughtful investor selection, and superior transaction execution.

# Jefferies

*The Private Debt Investor annual industry awards are determined by the publication’s dedicated readers, which are largely comprised of key global institutional investors within the private equity, private real estate, private debt and infrastructure space. Of their 23,000 subscribers, more participated in the awards survey in 2016 than any other year.*
