

Jefferies 4th Annual Global Technology Conference

AGENDA:

March 8-10, 2010

Mandarin Oriental Hotel
80 Columbus Circle & W 60th St.
New York, NY 10023

We are pleased to announce the Jefferies 4th Annual Global Technology Conference.

Please join us at our 4th Annual Global Technology Conference which will highlight more than 100 companies within the areas of applications & enterprise software, communications technology & enterprise storage, electronics supply chain & manufacturing, semiconductors, services/processing and technology hardware.

The three day conference will feature three concurrent tracks of company presentations, thematic discussions and investor meetings. This comprehensive gathering of institutional investors, private equity investors, VCs, and leading technology executives will address trends and developments within the industry, as well as near- and long-term investment opportunities.

We hope you are able to join us.
