

10th Annual

Jefferies 2019 London Healthcare Conference

INVITATION & AGENDA NOVEMBER 20-21, 2019

Waldorf Hilton
Aldwych
London WC2B 4DD, UK

You are invited to attend the Jefferies 2019 London Healthcare Conference taking place November 20-21 at the Waldorf Hilton in London.

This year marks the 10th anniversary of now the largest healthcare-dedicated conference in Europe. In 2018, we hosted 500 participating companies, 2,000 attendees and 5,000 business-to-business and investor meetings. Our event will again feature leading public and private companies from the pharmaceuticals, biotechnology, generics, consumer health, animal health, medical technology and healthcare services sectors from the United States, Europe, Africa, Middle East, Latin America, Russia, India, Israel, China and Japan.

The two-day event will include concurrent tracks of company presentations, thematic panel discussions, and 1x1/small-group meetings. This global gathering of leading healthcare executives and institutional, private equity and venture capital investors will address near- and long-term investment opportunities and discuss the mechanisms driving global healthcare.

To add this conference to your Microsoft Outlook calendar, [click here](#)

The list of participating companies (including 1x1 only companies) can be found at www.jefferies.com/112019.
